DHL Cargo Insurance

Freight forwarders and carriers may have limited liability under international conventions for the loss or damage to goods. We recommend to procure a transport insurance from door to door. Please note though that there may be restrictions linked to some countries.

The total insurable value shall be calculated as: (Value of Goods + Total Freight Charges) * 1.1

Conditions

Subject to GST 18%

Please note this quotation provides the estimated charges for the shipment specified herein based on its dimensions, weight, mode of transport, shipper/consignee, Incoterms, pick-up and delivery location. Charges and transit time might differ in case the actual shipment is different from what is specified in this quotation.

Exchange rates at time of quotation are as follows:

INR 1.0 - USD 0.01157

This quotation is formulated in accordance with your information provided and will be adjusted accordingly in case of any discrepancy between your information and the actual situation.

The prices offered do not include duties, storage fees and are subject to applicable taxes, especially value-added tax (VAT); other charges for additional services may apply.

All transactions are subject to the attached Terms and Conditions of DHL Global Forwarding, and your acceptance of this Quotation shall constitute your acknowledgement of and agreement to such Terms and Conditions.

Please confirm this quotation within 7 calendar days from issuing date. In case rate validity is shorter than 7 calendar days from the issuing date a confirmation is required within the rate validity period.

After receipt of your written confirmation within the above mentioned validity period, the rates are considered binding on both parties.
